The Wisdom Jesus

A Six Day Retreat with Rev. Cynthia Bourgeault

One of the great blessings of a faithful practice of Centering Prayer is that it allows us to begin to “put on the mind of Christ” (in the words of St. Paul), by patterning in ourselves the pathway that he himself taught and modeled. In this retreat we will allow our practice of Centering Prayer to lead us deeper into the teachings of Jesus himself and the remarkable Unitive Wisdom at their core. The teaching will be based on Cynthia Bourgeault’s acclaimed book, **THE WISDOM JESUS** (Shambhala Publications, 2008), and will focus particularly on those three intertwining threads of his teaching: kenosis (self-emptying), abundance, and singleness (attained oneness, or non-dual awareness).
